JAIPUR RUGS

With a design arc that spans history, culture, nature and beauty, the Inde Rose collection uses luxurious silks and impeccable local workmanship to fashion ten stunning, contemporary carpets with a never-seen-before detail—each graphic masterpiece has a coordinated layering pair. Additionally, the Inde Rose colour palette then allows you to layer your spaces with five more colourways.

This unique feature creates a multitude of textures and patterns that instantly elevates any space.

A dovetailing of Jaipur Rugs' expertise in craftsmanship and Vinita's unerring eye for stylishly layered luxury, Inde Rose is an avant-garde reimagining of divine carpets that creates endless possibilities.

Designer and style Savant Vinita Chaitanya has been designing the most exquisite and exclusive spaces for more than 30 years. Her distinct signature finesse celebrates glamour and luxury while staying true to India's design heritage and craft traditions.
