NURAY

'Nuray' is a Turkish name which in English means 'Bright'. Kilims are also distinguished by their vibrant, colorful patterns and geometric designs.

Reviving tribal-inspired designs & colors, Nuray is a reimaged line of elegant Kilims. Characterized by brightly-hued geometric shapes and pileless textures, kilims were traditionally produced in countries of the former Persian Empire. Featuring eye-catching indigenous tribal patterns and vibrant color combinations, the Nuray collection from Jaipur Rugs is meticulously hand-woven from 100% wool. Merging decor trends and the finest traditions of nomadic people, it is ready to become a part of your home for generations.
