Someplace in Time

Someplace In time is a collection, whimsically reviving an era lost in vintage design & craft with an emotion transcending existence. The collection is a magnificent display of an alternate evolution merging heritage and modern lifestyle. The wool, born from the relentless Afghani, bearing the harsh region for generations past, and a conviction to survive. The yarn, groomed and adorned by tradition, uncarded, spun on a lattoo by the hands of the ancients. Its colors raw and unseparated, dyeing the yarn only within reach. The knots, each a hand-crafted journey, preserving heritage for the future.

Tether the past, present and future through rugs aged in certainty. Travel through a journey, Someplace In Time.
