JAIPUR RUGS

*Balance. Elegance.  
Tranquillity.  
All woven into a rug*

Sthir (named after the Sanskrit word for “Still”) is a collection aimed at finding a luxurious balance - between the modern and the traditional, simple and the complex. With chic, geometric motifs, it is the coming together of new-age minimalist design and ancient, traditional Persian knotting techniques, made with high-quality New Zealand wool.

Our family of generational artists spend months handcrafting each rug, with pure love and innovation. They bring to these designs a touch of their own creative identity and generational knowledge of the art of rug-making.

We believe there is a special place for a special rug in every home. We can't wait for you to experience our Sthir collection.
