Jaipur Rugs Strengthens Global Presence

Founded in 1978, the family-owned brand now operates over 7,000 looms, employing 40,000 artisans, mostly women, to create handmade rugs with quality and traditional craftsmanship. Jaipur Rugs has opened a new flagship store in Singapore, expanding its global presence. This is the fourth international store, after London, Dubai, and Milan. Jaipur Rugs also operates in the US, China, and Russia through sister companies and franchises. The company plans to open three more stores in India soon. With a turnover of Rs 975 crore in FY24, Jaipur Rugs currently has stores in Mumbai, Jaipur, Delhi, Pune, Bengaluru, and Chennai.
